

Bring Your A-Game

All the states starting with A fell off Alex's map and got all mixed up. Can you unscramble the state names, then help Alex put them back on the map in the correct places?

zaanori This state is found in the southwest.

kaaals This northern state has moose, wolves, and even polar bears.

baaaalm Part of this southern state touches the Gulf of Mexico.

sasarank The capital of this state is Little Rock.
