# Finding Louie Alternate Ending

Read the following short story and answer the questions below.

Jody absolutely adores dogs. She owns a papillion named Louie, a chihuahua named Isabella, and a Siberian husky named Koda. Every weekend she takes her dogs to the dog park where they love to run, play catch, and meet other dogs.

When Jody took her pets to the park last Saturday, she almost lost poor little Louie. She was playing catch with Koda when she lost sight of Louie. In a panic, she started shouting his name and asked other dog owners if they saw her little papillion. After 30 minutes of searching and with the help of one dog owner, she finally found him at the entrance of the dog park near a small store that sells Louie's favorite treats. Jody was delighted when she found Louie and bought all three of her dogs their favorite treats.

1. What is the problem? Jody lost her dog, Louie.
2. How is the problem solved? Jody looks for 30 minutes and gets help from another dog owner.
